

THE METROPOLITAN OPERA ON PIRATE CD NEW RELEASES 2005

Frank Hamilton © 2005
<http://FrankHamilton.org>
Frank.Hamilton@gs.com

This is a supplement to the main discography of radio broadcasts and in-house recordings on compact discs that indicates all new releases received in 2005.

Compact disc serial numbers are followed by the total number of CDs in the set; this is followed by the year of issue when known. Entries will still contain references to any previous releases. New issues appear at the end of the main header line, or after excerpts when that is the case.
